

# AgPro Top Facility

**Agtegra McLaughlin  
Agronomy Center**  
McLaughlin, South Dakota

## 5 Coolest Things At This Facility

### 1 Under Roof.

Completed in April 2019, the facility has 60,650 square feet of usable space, which makes it slightly bigger than a football field.

### 2 A Hub For Multiple Workspaces.

There are 10 individual offices and a full kitchen in the two-story 80'x80' office building.

### 3 Weatherproof All Projects.

The main building is 120'x382'. As part of the enclosed maintenance shop, there's a 120'x30' wash bay.

### 4 Serves 120-Mile Radius.

The site has 7 dry spreaders, 5 liquid sprayers, 7 tender trucks, 8 semis with trailers and 4 liquid delivery trucks.

### 5 Energy Efficient.

The building has in-floor heat with 10.9 miles of tubing, and 21,300 staples were used during insulation installation.
